

CalvaryCurriculum.com[®]
a place for those who minister to children

*"...Jesus said, 'Let the little children come to Me, and do not forbid them for of such is the kingdom of heaven.'"
Matthew 19:13-14*

This site has been created for the purpose of supporting and blessing those who minister to children.

CalvaryCurriculum.com was created in 2006 with the desire of creating a website that is **totally FREE to use**, without an annual fee, login window, or required email address. We like to think of this site as "*A Digital Resource Room*". The goal of this site is to provide quality resources to those involved with ministering to children. Resources of curriculum, trainings, encouragement, and many more can be found on this site with additions coming on a regular basis.

Along with reports from users inside the United States, CalvaryCurriculum.com gets regular reports from visitors from around the world. These reports come from Mexico, Ecuador, China, Korea, Russia, the Philippines, and many more. The Calvary Chapel Children's Curriculum is estimated to be in thousands of churches worldwide since its creation in 1996 and has been translated into various different languages. The updated revision to this curriculum is presently in production. "Phase 1" of this project will be released on December 1, 2012.

Below are some descriptions of materials found on this site.

Curriculum

There are three main purposes for creating the curriculum on this site:

- 1.** To provide a Bible study lesson which follows the Calvary Chapel "distinctive" of teaching verse by verse. *(This also trains the children for their eventual transition into the sanctuary.)*
- 2.** To support and encourage those serving in the Children's Ministry by providing the "basics."
- 3.** To be a blessing to those who desire a true Bible-based curriculum with no financial burden. *(There is **NO COST** whatsoever to access the curriculum.)*

Little Ones Curriculum

This curriculum is designed for 3 - 6 year olds. It consists of **53 lessons**, alternating between the Old and New Testaments, with more studies to come. The focus is to implant Biblical truths in these little one's hearts and minds, that they may grow in the grace and knowledge of our Lord Jesus Christ. Crafts to come in the future.

Calvary Chapel Children's Curriculum (English & Spanish)

This curriculum is for 1st - 6th graders. It consists of **325 Bible Studies**, Genesis through Revelation. There are 163 studies in the Old Testament and 162 studies in the New Testament.

Calvary Chapel Children's Curriculum: "The REVISION Project"

This is a revision of the above "Calvary Chapel Children's Curriculum." There will be NEW coloring pictures, NEW activity pages, and NEW worksheets. This will be a complete re-design of the curriculum. Please keep this project in your prayers! There is much time and resources that are needed for the completion of the revision. Find out more information about this project on CalvaryCurriculum.com.

CAMP Curriculum

This 8-study curriculum has been designed for 3rd-6th graders and can be used at camps, VBS, or mid-week services. The 3 completed curriculums are "Sowing to the Spirit", "God's Love", and "Grace Changes Everything". We are presently working on "Faith: Pleasing God".

Children's Ministry Trainings

In this portion of the site, you will find **25 subjects** of one and two hour classes relating to Children's Ministry. More additions to come.

Pastor Larry Enterline, creator of "Calvary Chapel Children's Curriculum" (1st-6th grades), shares in a 3-session class the "vision" and the "how to's" for effectively using the Children's Curriculum to teach children how to meet with God.

Meeting with God through His Word *(Personally and in the Classroom)*

This section deals with the topic of "Meeting with God through His Word" both personally and in the classroom. There are teachings by **Dr. Richard A. Bennett**, **Pastor Larry Enterline**, and others on the topic of responding to God personally and in a classroom setting with children. It is our prayer that the Lord ministers to you through these various teachings.

Words of Encouragement

Here you will find encouraging teachings which were recorded at Children's Ministry conferences from such teachers as **Pastor Chuck Smith**, **Dr. Richard A. Bennett**, **Pastor Jon Courson**, **Pastor Damian Kyle**, **Pastor Steve Mays**, **Pastor Larry Enterline**, **Pastor Clark Van Wick**, **Pastor Dave Rolph**, **Pastor Terry Walker**, and **Pastor Brent Yim**. More to come.

Paperwork: Forms & Flyers

The documents in this section are a collection of forms and flyers that, hopefully, will make your life a little easier. They can be easily edited in Microsoft Word for your specific church.

VBS: Park Outreach

We have done something different and have been so blessed to have witnessed over 800 children give their lives to the Lord in the last seven years of our one-week per year outreaches! In this section, you will be led step-by-step in how to bless the children of your community, as well as the children of your own church.

We encourage you to check this site periodically for additional materials that will be coming in the near future. Please pray that the Lord continues to guide and provide for this website. May the Lord richly bless you as you continue to minister to His children.
