

Banner – Because of the cost we have purchased a banner each year. We now have four that we place around the park. To the community we are a “Children’s Festival”. When we announce the event at church, we are a VBS Park outreach. We do not want to appear as a church program to the community.

Flyer – We have our church youth groups hand out flyers in the neighborhoods surrounding the park 5 days or less before the first day of the event. We have handed out as many as 4,000 flyers each event.

We use the same banner and flyer each year for recognition.

To see examples of banner and flyer, continue to look in this section.
