

## Vision:

Snacks – “being faithful in the little things”! Snack time is a “little thing” but so important to the children as they have a small break between events with just enough time for a snack and a cool drink of water. We use frozen “Otter Pops” kept in a cooler on ice (they are easy and fast). This is a welcome break on a hot day! The snack helpers have the important job of having the snacks and drinks ready as soon as the games event is over, for there is only 5 minutes to serve the snack and consume it. The snack is served to each age group after they complete the games event. As the children are playing the games, the snack helpers are preparing the snack for that 5 minute window to serve it to the children. A welcome and loving smile is important to share with the children. This is another opportunity to love and bless these children as we give a cup of cool water in Jesus’ name.

## Volunteer Responsibilities:

1. During the games time which is approximately 30 minutes:
  - a. Fill appropriate number of water cups with water from jugs. (do this first).
  - b. Use scissors to cut tops off “Otter Pops” and place them vertically back in cooler.
2. When games are over, the children will come to the snack station. Have them line up. (Some games staff may be able to help with this part). Pass out water and “Otter Pops.”
3. There is approximately 5 minutes to serve the snack and eat. It goes fast! Being ready is the key.
4. Every day, fill and bring water jugs to and from park.

5. Clean up snack area at the end of each day.
6. Please let (*Director's name*) know, in advance if possible, if you will not be available to help on any given day, (*telephone #*).

We would like everyone, if possible, to arrive at the park each day by (*time*) for prayer.

During the beginning and ending session, please feel free to sit among the children. This will help with “control issues.”
